

SKSDW2401S POWERSTEAM® STAINLESS STEEL DISHWASHER

SIGNATURE
KITCHEN SUITE

POWERSTEAM® TECHNOLOGY

PowerSteam Technology offers maximum steam coverage for 60% less water spots,* resulting in the most sparkling clean dishes.

LODECIBEL™ QUIET OPERATION (40 dBA)

Signature Kitchen Suite dishwashers are among the quietest on the market, so you can enjoy a powerful clean—without disrupting your day.

LED INTERIOR LIGHTING

The energy efficient LED interior lighting makes the loading and unloading process easier.

EASY LOADING AND MAXIMUM FLEXIBILITY

The newly-enhanced EasyRack™ Plus system provides outstanding flexibility and convenience, adjusting to just about any load of dishes to help ensure optimal cleaning performance. The height adjustable 3rd rack provides more space and flexibility to fit everything from flatware to espresso cups.

WI-FI ENABLED FOR SMART CONTROL

The innovative Wi-Fi feature, powered by ThinQ® Technology, brings modern convenience to the kitchen. Monitor cycle status, get notifications when a cycle is complete and download additional cycles for special care—all from a mobile device using the Signature Kitchen Suite™ app. You can also check on the cycle status with voice commands using Google Assistant and Amazon Alexa.

*Percent in water spot reduction compared to comparable non-steam dishwasher on delicate wash cycle. Results may vary by model. Results based on testing with non-steam dishwasher LDF7774ST as of Feb 2018.

INSTALLATION CLEARANCES

Notes

This dishwasher is designed to fit a standard dishwasher opening. An opening may be needed on both sides to route plumbing and electrical connections. See marked areas above for water and electrical clearances in base of dishwasher.

To ensure proper drainage, install the dishwasher no more than 12 ft. (3.65 m) from the sink.

Electrical connection should be in an accessible location adjacent to and not behind the dishwasher and within 4 ft. (1.2 m) of the dishwasher's side.
